

# Inflatable Pool Blue for Bounce House

## Summer is coming!

During these warm days, children want nothing more than to play outside. And this party can only be made complete with a bounce house of JB, with which hours of fun guaranteed.

But during these hot days a bit of cooling off is definitely needed. That is why we have come up with a whole new range of bounce houses with (detachable) pools. Indispensable the summer season and versatile!

All of these inflatables come with a certificate for use with water and also with ball pit balls. So if the bad weather happens, you can bring the inflatable inside and use it with ball balls (or without a pool). Be quick, because the summer is just around the corner!
