

Panna Soccer Cage

Nutmeg!

Try to score the perfect nutmeg! It will, however, not be easy to pass the ball through the legs of your opponent and retain possession of the ball. If nutmegs are out of your league, try shooting at the goals to score a point. It is a fun game to play one-on-one or with teams. The set-up of the nutmeg cage allows you to cleverly use the walls to play the ball around, which makes it more difficult for other players to gain possession of the ball. Treat guests and visitors to a real challenge!

Easily sets up within 10 minutes

The Nutmeg Cage can be used for a variety of events, activities and parties. Easily set up the sports arena in no more than 10 minutes. It is easy to transport, because the nutmeg cage comes in one part. The inflatable is conveniently supplied with a blower, anchoring materials, a transport bag and a clear manual.
