

Tilting wall

Run and tilt!

This inflatable tilting wall by JB-Inflatables provides your customer with a very special additional attraction for a hexathlon. You can use it as a stand-alone tilting wall, but it can also be included in, for instance, an obstacle course. It is ideal for use during a town event, neighborhood party or an event held by a neighborhood association. Or consider using it for a teambuilding event, a children's party or a themed party. The aim of the game is for the participants to run and hit the wall of the attraction as quickly as possible and at such speed that it automatically tilts, allowing the player to continue running. Spectacular and hilarious!

All set to start? Go!

Setting up this game is easy to do. It goes without saying JB-Inflatables conveniently supplies everything you need to include this running game in your hexathlon product range. For even greater convenience, we include a transport bag and it goes without saying that it also comes with a blower and anchoring materials.

Premium quality by JB and a 5-year warranty to boot

All products by JB have several reinforced tension points and they are multiply stitched. The hexathlon items are made of strong, high-quality PVC, which makes them durable and easy to keep clean. In addition, we provide a 5-year warranty for our entire collection and we have our very own repair service.

Purchase this mega-sized tilting wall, which is guaranteed to deliver many a cheerful moment. It's an essential part of any hexathlon!
