

Hang tight

Who can hang on to the jeans the longest?

Hanging on to jeans might sound odd, but it's a common occurrence in hexathlons at teambuilding events, village fetes and neighborhood parties, as well as during a children's party or themed event. JB-Inflatables - naturally - has added its own unique take on this popular hexathlon game to the collection. Who can hold on tight to the jeans and will be the last one hanging? To even make it more challenging and fun, we have added an extra game element: we have turned the base into a splash pool. Fill it up with water and the loser will end up with wet feett. Twice as much fun! Available in blue-white and black-red.

Convenient, easy set-up

This hexathlon item is also easy to set up - it is ready to be used within 10 minutes. The game is suitable for 2 competitors at a time. It goes without saying that this jeans-hanging game comes as a complete package, which means we conveniently include a pressure blower, transport bag and repair kit.

Premium quality by JB and warranty (5 years)

All our hexathlon items have several reinforced tension points and are multiply stitched, and this hanging game is no exception. It is made of strong, high-quality PVC, which makes it durable and easy to keep clean. In addition, we provide a 5-year warranty for all items in our extensive collection and we have our own repair service.

Purchase this Hang On Tight jeans hanging game as part of your hexathlon equipment and we ensure your customers will love partying with it!
