

Flip-it Cube Rainbow

Perfect for team-building

The Flip-it Cube is the perfect attraction for use during sports and introduction days for schools and staff parties, because teambuilding is key here. Your customers have to work together in a fun way to achieve a common goal: reaching the other side! They can, for instance, stand together inside the cube and try to move it forward by constantly making it flip over. Decide on a strategy, lean to one side as a team... and there you go! The team crossing the finish line first wins this hilarious duel.

Easy setup

The Flip-it Cube easily sets up in no more than 10 minutes. Before the event it only has to be inflated once, which means you are not bothered by (electric) cords during the game. This inflatable attraction can easily be transported because of its compact roll-up design. The Flip-it Cube is supplied with a blower, anchoring material, transport bag and a clear manual conveniently included. Everything in a complete package for a great experience!

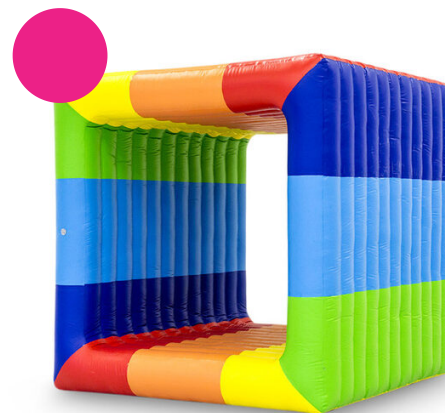

Premium quality with a 5-year warranty

JB inflatables have several reinforced tension points, are multiply stitched and come in strong, high-quality PVC to boot. This makes them durable and easy to keep clean. We provide a warranty of no less than 5 years for this Flip-it Cube, which allows you to offer a product with years of optimum playing fun.

Purchase this Flip-it Cube and deliver the experience your customers will remember as a fantastic, fun-filled day.
