

Pool slide Standard

Swooshhh, there they go!

This 6.5-meter-long and 3.5-meter-high water slide is a true eye-catcher and will draw in kids like a magnet. Climbing, sliding and landing in the water with a splash. How fun! Let's do it again!

Certified water games

We ensure that our water attractions can safely be used by everyone. Items manufactured by JB are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. We supply an approved inspection certificate, a blower, log book and a clear manual, so you have everything you need in a complete package for a fantastic experience. It goes without saying this attraction comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the attractions stays in place. Safety is a top priority.

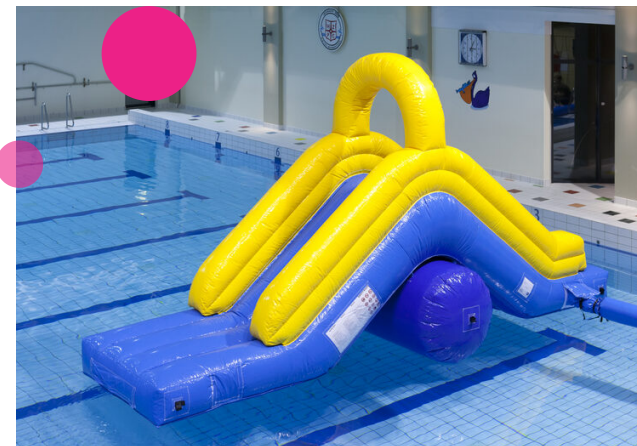

We set high quality demands

In order to guarantee the quality of the products we offer, we use high frequency welded PVC material, weighing 900 gr/m². The material has a useful protective coating that is resistant to chlorine and suitable for use in open bodies of water. The Multislide Dolphin is easy to clean and is durable in use. In addition, we provide a warranty of 1 year for this product.

Purchase this Pool Water Slide and give the people visiting your swimming pool a day of splashing water fun to remember!
