

Aqua Run Crocodile

SNAP! Are you brave enough to swim with a crocodile?

A snapping crocodile in the pool, I bet you didn't expect that, did you? This 10-meter pool obstacle course is a feast for the eye. The inflatable animal immediately catches the eye and the fun play elements create splatter and spatter for everyone to enjoy. Now who would not want to play with that? The kids in your pool are guaranteed to be very happy with this Crocodile Slide!

Certified water games

For years, JB has developed and manufactured water attractions that can be used safely. All water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. The Crocodile Slide comes with an approved inspection certificate, a convenient log book and a user manual. In addition, we include a Bravo air pressure gauge to ensure the right air pressure is entered. The anchor points have to be fastened with appropriate anchoring materials to keep the product in place and to prevent it from getting too close to other objects.

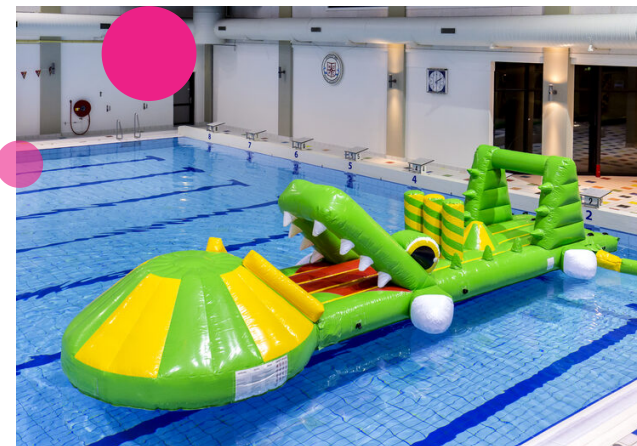

High quality guaranteed

JB is proud of its products and, therefore, sets high demands for their quality. In order to guarantee quality, we use high-frequency welded PVC material, weighing 900 gr/m². The material we use is strong and colorfast. In addition, the material is chlorine-resistant and suitable for use in water. The obstacle course is durable in use and easy to clean. The Crocodile Slide comes with a 1-year warranty.

Purchase this 10-meter pool obstacle course and give your customers a splashing day of water fun to remember!
