

Aqua Run Adventure 10m

Lots of fun with this water obstacle course

The Pool Adventure Run allows you to create a wonderful experience on and in the water. This versatile water obstacle course offers enough playing fun to deliver the experience your customers will remember as a great day. Challenging obstacles with climbing, jumping and sliding options, this is guaranteed fun!

Service and safety

For years, JB has developed and manufactured attractions that can safely be used by everyone. All water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. Each of them comes with an approved inspection certificate, a blower, a Bravo air pressure gauge, a log book and a clear manual. Every water attraction has several anchor points that have to be fastened with appropriate anchoring materials to keep the attraction in place. We have thought of everything!

Benefit from our high-quality items

All JB water attractions are made of strong PVC material, weighing 900 gr/m² and are high-frequency welded to guarantee the quality of our products. In addition, the material has a useful protective coating that makes it chlorine-resistant and suitable for use in water. This ensures the products are durable and easy to keep clean to boot. The Pool Adventure Run comes with a 1-year warranty.

Purchase this unique water obstacle course and give kids a splashing day of water fun to remember.

More than 15,000 customers have led the way

Our team of designers, developers and logistics staff supply unique inflatable attractions in a grand way! Therefore, our customers are assured of our professional service and delivery and tend to call us 'creators of greatness'. For over 15 years, JB has made people around the world jump for joy, more often than not literally!
