

4 in a row Basketball

Who is the first to score 4 in a row?

Who does not know it? This classic 4-in-a-row game has been made as an inflatable and will be a hit during sporting events, hexathlon or other festivities. During the game the players have to get 4 balls of the same color in a row. Aim well and maybe you will be the winner!

Everything complete for a great experience

You can easily set up the inflatable 4-in-a-row game within 10 minutes. This can be done both indoors and outdoors. We deliver the game as a single unit, making it easy to transport. You get this inflatable from us including blower, anchoring material, transport bag and a clear manual. So you have everything that you need for a great experience.

No less than 5 years of warranty

Because JB inflatables are reinforced at multiple points and are multi-stitched, we supply this inflatable with 5 years warranty. The strong, high quality PVC is durable and easy to keep clean. Choosing this product, you get optimal gaming pleasure for years. Buy this fun inflatable 4-in-a-row game and give your customers an unforgettable day.

Already more than 15,000 customers also chose JB

JB has been literally making people jump for joy for more than 15 years. No less than 15,000 customers in total have already chosen us. Our team of designers, developers and logistics staff delivers unique inflatable attractions in a grand way! Thanks to them, our customers are assured of our professional service and delivery. That is why we are also called 'creators of greatness'.
